# **CDPH Funding Announcement & Special Information Session**

**Moving California Oral Health Forward  
2022-2027 Request For Applications**

# Welcome and Introductions

- ▶ We are excited to announce the extension of the LOHP, Prop 56 funding in the 2022 – 2027 Moving California Oral Health Forward Grant!
- ▶ Implement the strategies of the California Oral Health Plan and improve the oral health status of all Californians.
- ▶ All 61 California LHJs or their designee agencies are eligible.
- ▶ Grant is non-competitive. All complete applications will be considered for final funding awards.

# Message from the California Dental Director

California Department of Public Health  
Center for Healthy Communities  
Office of Oral Health

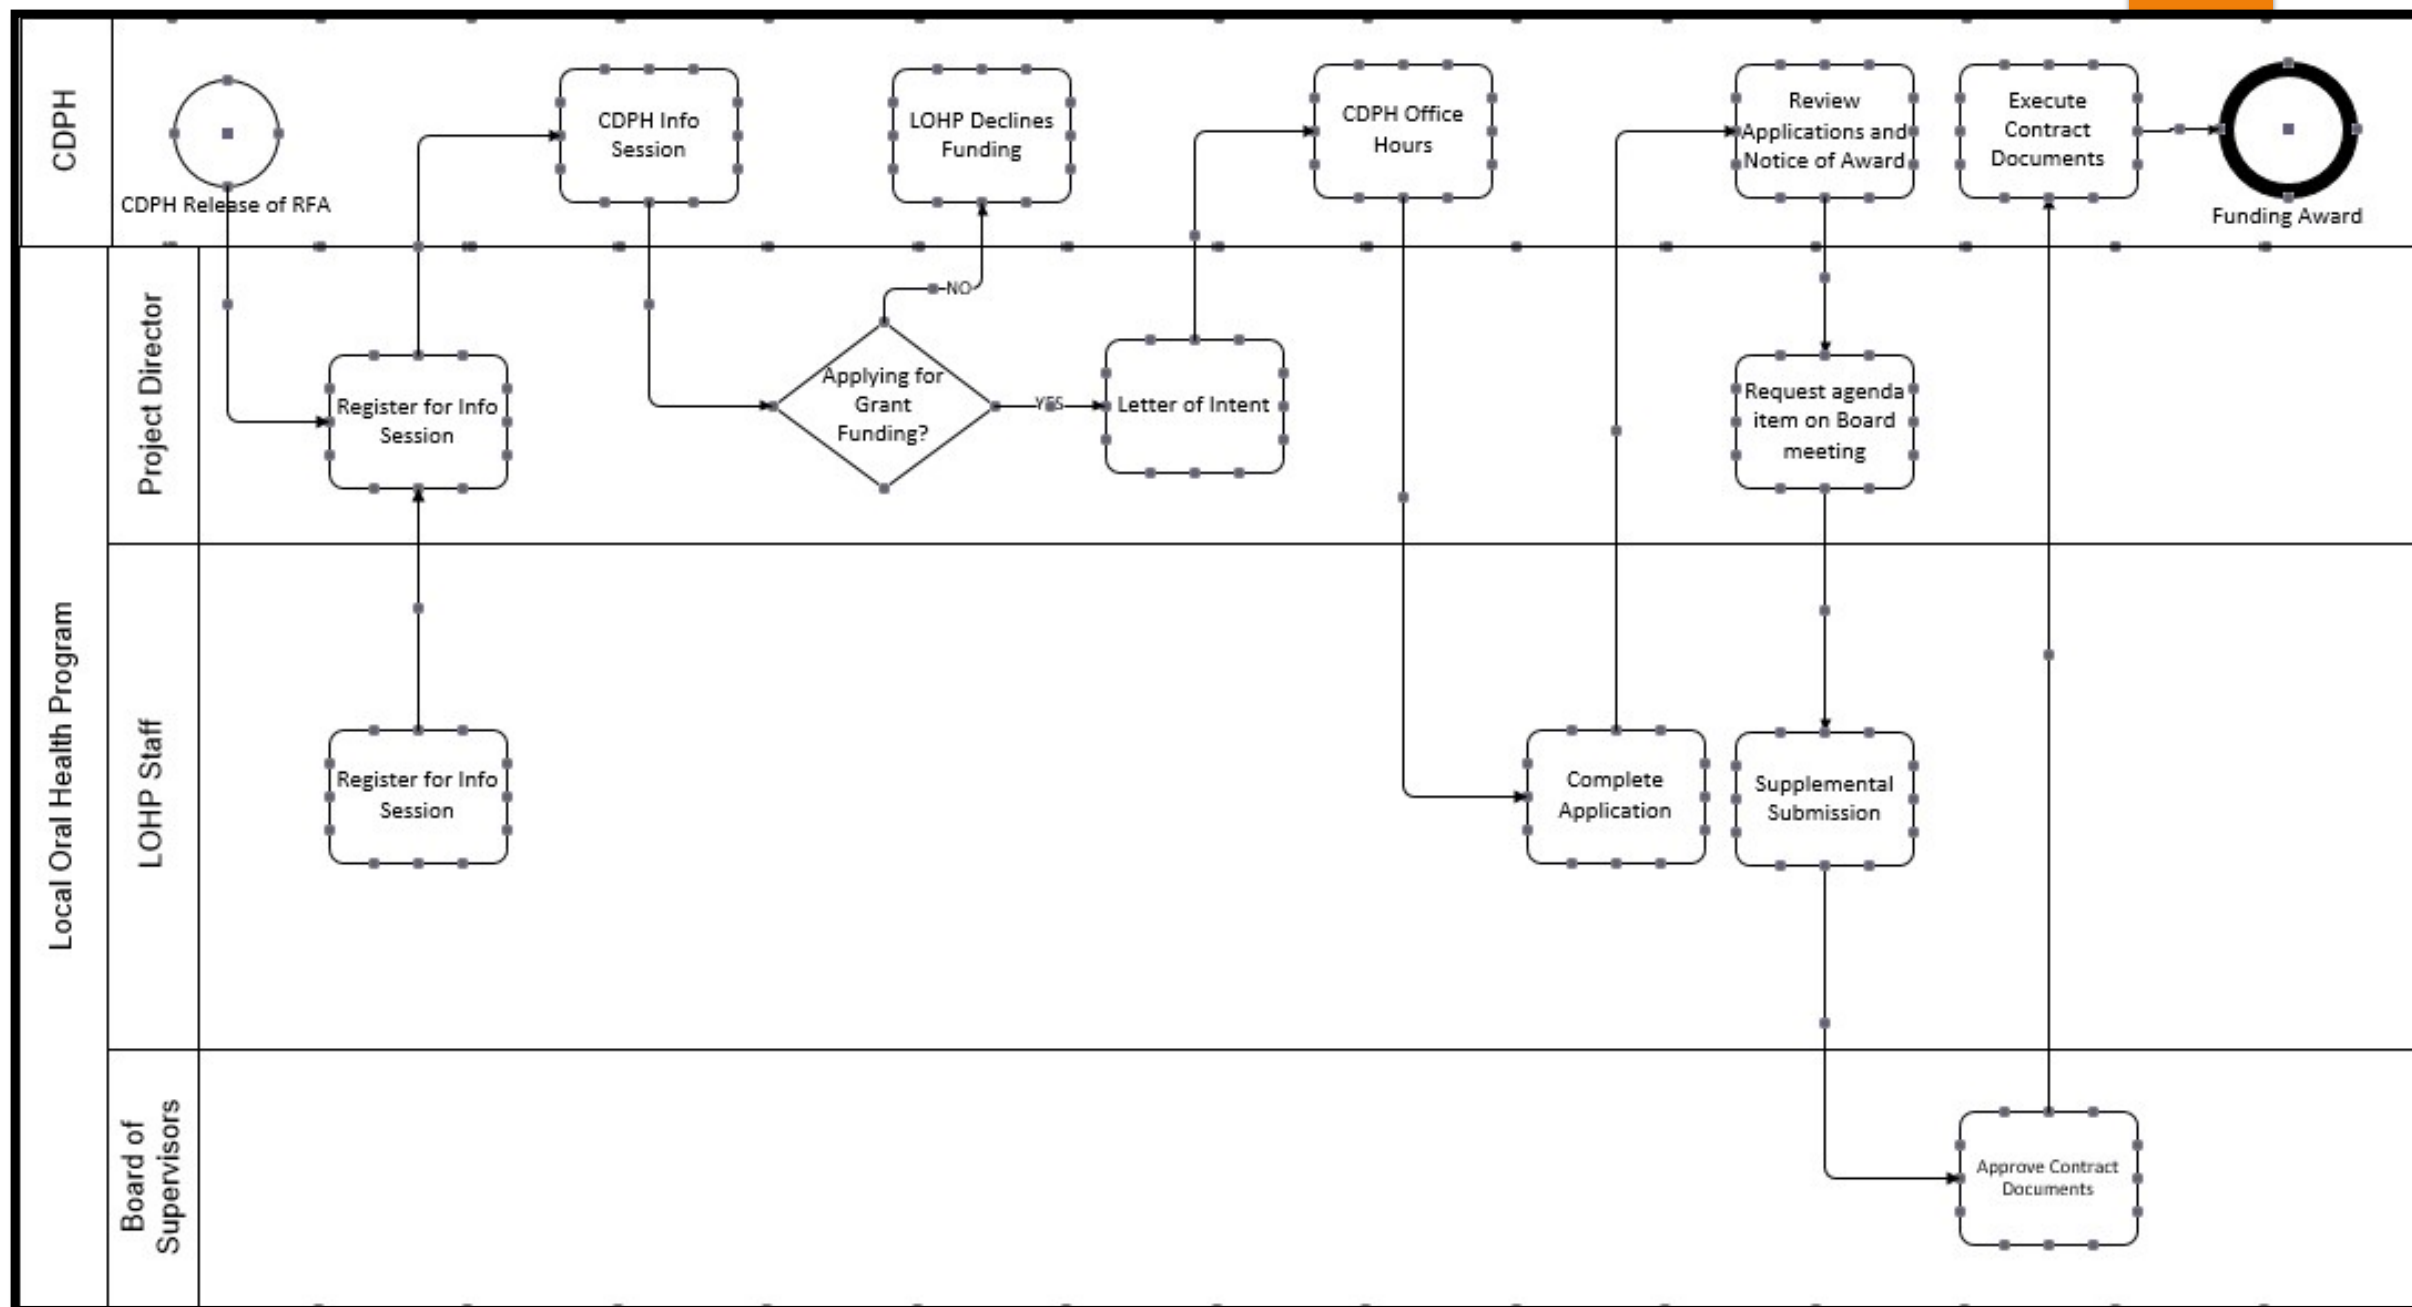

# Purpose of Funding

- ▶ Supports development or expansion of a local oral health program.
- ▶ Creates and expands capacity at the local level to educate, prevent, and provide linkages to treatment programs.
- ▶ Supports program activities related to oral health in communities, such as education, disease prevention, community-clinical linkages, and surveillance.
- ▶ Improves the oral health of Californians and prioritizes underserved areas and populations.
- ▶ All WP activities are intended to support achieving a 50% reduction in racial disparities in oral health outcomes among school-aged children in California by 2030.

## Funding Mechanism: Subvention/Local Assistance Grant

- ▶ Marks the continuation into a new 5-year grant/funding cycle.
- ▶ Although grant is intended for health departments, designee agencies in LHJs may also be considered as applicants if a health department declines funding.
- ▶ CDPH will review applications received, assign new contract numbers, and produce contract documents for LHJ signature.
- ▶ Local approval processes may vary. If LHJ Board of Supervisors approval is required, please build this into your timeline.
- ▶ LHJs who accept funding will develop budgets for their supplemental submissions.
- ▶ July 2022 – June 2027 implementation period.

## 2022-27 Minimum Grant Activities and Reporting/Tracking Measures of Objectives Requirement Summary By Funding Tier

### Legacy Local Oral Health Programs

- ▶ The Agency application must align with the Grant Activities and Reporting/Tracking Measures of Objectives minimum requirements described in Appendix 1, Table 2, page 9. Legacy Local Oral Health Programs (LOHPs) who participated in the 2018 – 2022 grant cycle are responsible for all Grant Activities and Reporting/Tracking Measures for objectives 1 – 7 for the entire grant term.

### LHJs or designees who are **newly establishing**

- ▶ LHJs or designees who are newly establishing LOHPs must select all Grant Activities and Reporting/Tracking Measures for objectives 1 – 3 and will be responsible for selecting all activities for one additional objective (from objectives 4 – 7) of their choice for the entire grant term. *(Please refer to Exhibit A).*

# What's New

- ▶ In the 2022-2027 grant cycle, the first objective will be to establish or sustain program infrastructure, partnerships, and processes to ensure implementation and evaluation of the Work Plan.
- ▶ New programs will need to start by establishing oral health infrastructure.
- ▶ Objective 1 is essentially composed of the first 5 objectives in the original grant.

# What's New continued

Two major focus areas of the next 5-year cycle will include:

- Objective 2, implement evidence-based programs to achieve California Oral Health Plan objectives, will be a priority during this 5-year grant cycle. The objective contains planning steps to support the development of community-clinical linkages and school-based/ school-linked programs.
- Objective 3, assess the number of schools currently not reporting Kindergarten Oral Health Assessments (KOHA) and increase reporting via the System for California Oral Health Reporting (SCOHR).
- Objective 3 will also develop and implement a plan to identify and recruit Key Partners to support oral health integration into local programs that work with underserved and vulnerable populations.

# New Activities

- ▶ Provide quality improvement (QI) coaching or trainings to primary care offices and CBOs to improve services provided to underserved areas and/or vulnerable populations.
- ▶ Implementing performance management activities and software.
- ▶ Success Stories, identifying new and engaging formats such as a photovoice to share with local programs, policymakers, stakeholders, and the general public to help sustain program efforts.

# How to Apply

## **Grant Applications – Due December 15, 2021**

- ▶ Application checklist
- ▶ Grantee Information Form
- ▶ Narrative Summary Form
- ▶ Governmental Payee Form (CDPH 9083)
- ▶ Grant Activities and Reporting/Tracking Measures

## **Supplemental Application – Due January 31, 2022**

- ▶ Supplemental Submission Checklist
- ▶ Detailed Budget and Justification

# Nuts and Bolts

- ▶ Please let us know ASAP if for any reason your LHJ does not intend on accepting funds for next 5 years. Using the non-binding Letter of Intent is encouraged.
- ▶ After reviewing completed applications, OOH will notify LHJs of decision to award.
- ▶ Supplemental submission will allow LHJs more time for budget planning.
- ▶ LHJs navigate internal review processes beginning in Fall/Winter and through Winter/Spring 2022. Please let us know if you have any special requests for getting on your Board's agenda.
- ▶ Work can be expected to begin July 1, 2022.

# Where to Get Started

- ▶ Research your Board approval process, if you are unfamiliar.
- ▶ Please contact your Program Consultant if you live in a rural or underserved area where provider availability will be a challenge to school dental program implementation.
- ▶ Review your progress over the past grant cycle and plan for future to accomplish CHIP and State objectives.

# Closing Out the Current Grant Cycle

- ▶ Previous funds will not carry forward into new grant cycle.
- ▶ Funding has remained stable with no immediate changes expected.
- ▶ Instructions on final progress report and program evaluation will be provided before last reporting period.
- ▶ Current activities and progress can be expected to continue into the future.

# Next Steps

- ▶ LHJ Board agenda item for Fall/Winter 2021 and Spring 2022 if needed.
- ▶ Non-binding Letter of Intent by November 5.
- ▶ Upcoming CDPH office hours October 27, 2021, and January 12, 2022.
- ▶ **Grant applications due December 15, 2021.**
- ▶ **Supplemental Submissions (budget) due January 31, 2022.**
- ▶ Please contact your Program Consultant and copy the Dental Director mailbox if you have questions or need TA.
