NOW WHAT!!

**CHALLENGES FACING  
the U.S. Dental Profession**

# CHALLENGES I FACED!

- What kind of equipment do I need?
- How much will it cost?
- Can I get a loan?
- What type of business do I want?
- How do I get a school contract?
- How do I get a nursing home contract?
- What insurances will I need and how much they cost?

# GERISMILES

The GeriSmiles Mobile Dental Hygiene team takes great pride in helping their patients maintain optimal oral health and a beautiful smile. “If eyes are the windows to the soul, then the mouth is the window to the body.” This powerful concept is one of the guiding principles of GeriSmiles.

# GERISMILES CON'T

Our motto is to make dental hygiene care accessible to all patients. We demonstrate and educate our clients in achieving and maintaining optimum oral health.

Our goal is to improve patient's oral health by eliminating and preventing potential problems such as gum disease, tooth decay and bad breath through education and treatment within our scope of practice.

Preventing dental disease starts at home with good oral hygiene care and a well balanced diet.

A screenshot of the FUSE software interface. The top navigation bar is dark purple with the FUSE logo and a search bar. Below it, the date "Friday, September 8, 2017" is displayed, along with navigation buttons for "Today" and "Prov Room". The main area shows a calendar view for "George Young DDS" with a "Regular" and "Hygiene" filter. The calendar grid shows appointments for 8:00 am, 9:00 am, 10:00 am, 11:00 am, and 12:00 pm. Each appointment card includes the time, duration, patient name (e.g., "Debra Abrams (age 6)", "Virginia Adams (age 94)", "Jesse Adam (age 32)"), provider name ("Dr. Young"), and a fee (\$1,010.00). A sidebar on the left shows "0 Unscheduled Appts" and sliders for "Provider Display" (set to 4) and "Hour Display" (set to 8 hr). A calendar for "September 2017" is visible at the bottom left.
