

Oral Health Summit Day 2: Regional LOHP Meeting

June 22, 2023

Presented by COHTAC

ORAL HEALTH SUMMIT

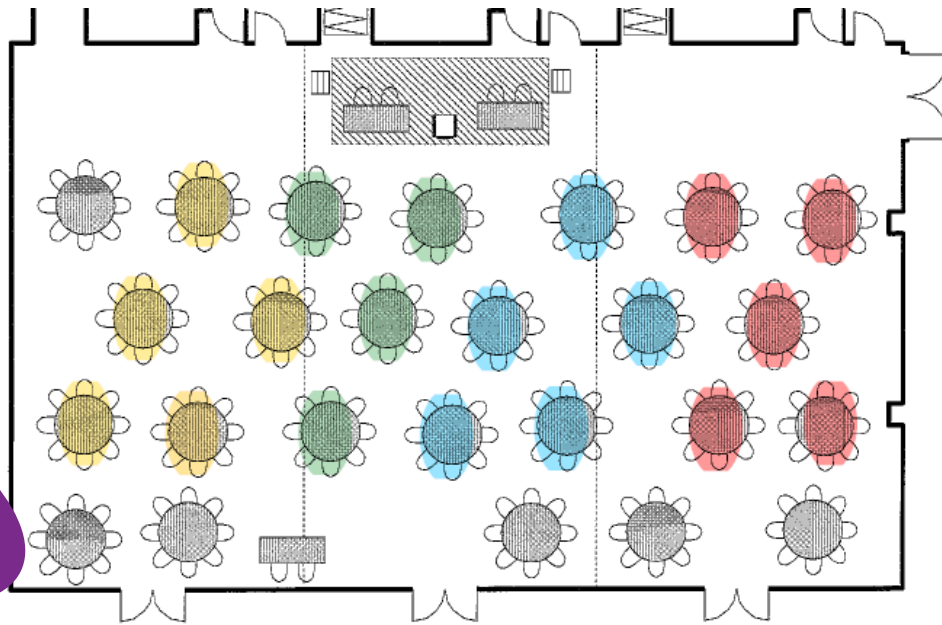

Turn the Curve on Oral Health
June 21–22, 2023 | Hilton Arden West

California Department of Public Health
OFFICE OF ORAL HEALTH

The banner features a line graph with four data points. The first point is a low point with a toothbrush icon. The second point is a higher peak with a water bottle icon. The third point is a dip with a tooth icon. The fourth point is the highest peak with a smiling mouth icon. Below the graph, four diverse people are shown drinking water from various containers.

Please sit at a table of the color assigned to your region with people from **OTHER** LOHPs

Make a new friend!

- Northern CA
- Bay Area
- Southern CA
- Central CA

Mix it up!

Icebreaker Games

- **Presented by Khadijat Alli**

Memory Game Instructions

- Go around the table and state your name and an animal that begins with the first letter of your name
 - Example: “Khadijat the kangaroo”, “Chris the crocodile”
- As each person goes, they will state the names and animals of the people before them, then introduce themselves
 - Example: It is now Jacob’s turn, he says, “Khadijat the kangaroo, Chris the crocodile, and I am Jacob the jaguar” and so on and so forth.
- The last person has to say everyone’s name and animal and then include their own at the end
- You CANNOT choose the same animal as another person
 - Example: Both my name and Kristin’s name starts with the letter “k”
 - If I chose the animal “kangaroo”, Kristin must choose a different animal

Getting to Know More About You

Discussion Questions

1. What's a food that reminds you of home and why?
2. If you could travel anywhere, where would you go?
3. What is a success that you had in the past week?
(professional or personal)

Thank you

Session 1:

Creating and Sustaining Partnerships: Best Practices and Lessons Learned

Kristin Hoeft, PhD, MPH

Aubri Kottek, MPH

Mendocino County

Imperial County

Stanislaus County

Learning Objectives

- 1- Identify organization characteristics and/or organizations that make good members of the Advisory Committee
- 2- Describe some best practices for inviting and engaging partners
- 3- Explain ways to maintain engagement from Advisory Committee

Poll: When you think of Partnership, what characteristics come to mind?

- Scan here 
- or scan the QR code on your table,
- Or log in to [menti.com](https://www.menti.com) and enter the code 9875 3841

Menti Poll link

Characteristics of Partnership

- Collaborative
- Long-term
- Mutually beneficial
- Cross-sector
- Teamwork
- Working towards outcomes
- Increases the capacity of both groups and the community in which they operate

Partnership functions:

- **Advisory Committee**
- Community events / cross-promotion
- Potential for future staffing or volunteer needs
- School-linked dental programs and KOHA
- Similar programming / shared goals
- Outreach and to raise awareness

Partnerships can help:

- Share resources
- Share expertise, find information
- Make connections and open doors
- Engage diverse perspectives and populations
- Improve health equity and engage hard-to-reach groups
- Enable us to address oral health challenges more effectively and efficiently

Partnership process

Identify

Invite

Engage

Sustain

To sustain partnerships

- Regular communication
- Recognition and appreciation
- Shared vision / Mutual benefit
- Evaluations and feedback
- Personal connection and reconnection
- Flexibility

Current partners

- FQHCs
- Rural Health Clinics
- Tribal Health Clinics
- Medical providers (e.g., PCPs, pediatricians)
- Dental providers
- Dental health professions schools
- Local dental association/society
- Local dental hygiene association/society
- School district/Office of Education
- Teachers or administrators
- School nurses
- Local First 5
- Head Start
- Early Head Start
- Adult services
- Senior coalitions
- Tobacco Control
- Childhood obesity prevention
- Cal Fresh Healthy Living
- Nutrition/WIC
- Diabetes Prevention
- Medi-Cal Managed Care Plan representatives
- Medi-Cal representatives
- Other dental insurance groups (e.g., Delta Dental)
- Local Tribal Health Advisory Board
- Local Child Care and Development Planning Council
- Local YMCA
- Local library
- City/county government representatives
- Law enforcement (e.g., sheriff's office, county jail)
- Home visiting programs
- Family resource centers
- Maternal Child and Adolescent Health

Poll: Who is missing from this list of potential partners?

- Scan here 
- or scan the QR code on your table,
- Or log in to [menti.com](https://www.menti.com) and enter the code 9875 3841

- Imperial County Tobacco Education Project
- CalFresh Healthy Living Program
- Child Health & Disability Prevention Program
- First Five Imperial County
- Maternal Child and Adolescent Health Advisory Committee
- Imperial County Dental Society

LOHP Process and Lessons Learned

1. Tell us about your advisory committee members.
2. Tell us about one of your more unique partners.
3. What makes your meetings successful?
4. How have you been able to reengage your advisory committee after COVID?
5. What are your additional lessons learned or tips for other LOHPs?

Table Discussion1

- **Strong partner**
 - How recruited, how sustained/maintained, benefits,
 - What can other LOHPs learn from you

Table Discussion 2

- **Dream partner**
 - Who is an organization/someone you would love to get to join your advisory committee?
 - What are some of the barriers you have had in reaching them?
 - Can other people give you tips on how to reach out—is another LOHP partners with them, COHTAC

Break 10:15 – 10:30 am

- Enjoy your break
- Please make sure to return to your seat by 10:30 am
- Session 2 presenters, please come up to the stage at end of the Break
