

Welcome back from break!

Sesame Street: Tooth Friendly Foods

Codesign of regional meetings

June 22, 2023

Rebecca Hargreaves, COHTAC and Healthforce Center at UCSF

Session objectives

- **Identify the unique strengths and challenges of your region** to strengthen regional identity and connections
- **Inform future regional meetings** to ensure that COHTAC is creating learning and networking opportunities to support and advance your priorities

Session outline

→ Move to regional breakouts ←

A. In terms of ensuring the oral health of the communities in your region

- What are some of your region's **greatest strengths**?
- What are some of your region's **greatest challenges**?

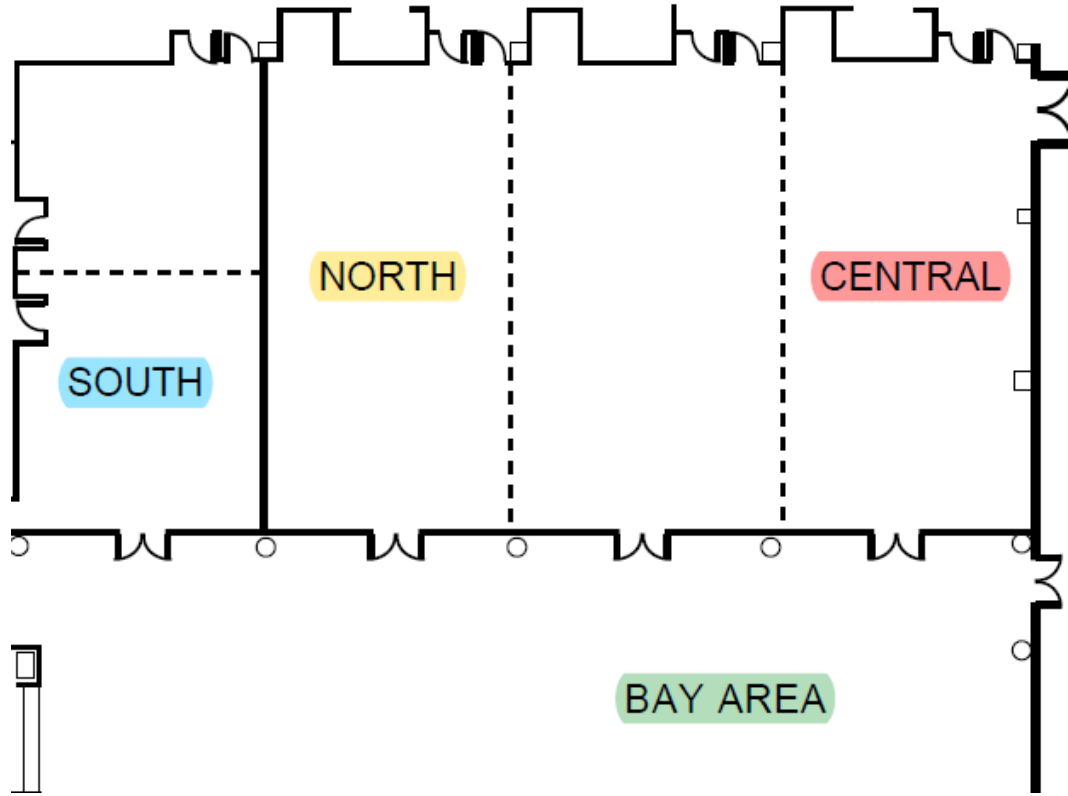

1. Regional groups split in half
2. Paired work on strengths *or* challenges
3. Additive report out to build list

B. Which **meeting topics** (see handout) would be most beneficial for your region to support and advance your priorities?

1. Review list; clarify
2. Vote to prioritize!
3. Select someone to share

→ Return to ballroom for large group sharing ←

Regional break outs

Facilitators

- Sepideh Banava (South)
- Rebecca Hargreaves (North)
- Kristin Hoeft (Central)
- Aubri Kottek (Bay Area)

Report out

Which topic(s) did your region prioritize?

Thank you!

Key Takeaways & Wrap Up

June 22, 2023

Aubri Kottek, COHTAC

Purpose

- Connect
- Reflect
- Prepare for Action

Wrap up

- Evaluation survey
- <https://oralhealthsupport.ucsf.edu/summit2023>
- Email COHTAC at oralhealthsupport@ucsf.edu

Thank you!
